

## talkabout

Watch your kid whoosh over the waves in the Astine Ocean Scooter, a battery-run inflatable children's jet ski. Sadly, a clever answer to all the available "Look at the Mum/Dad!" squealing is not supplied. \$249. Call (02) 9742 3795.

## two scents' worth

Paris of Italian cologne Acqua di Parma now have two new distractions to tempt them away from the classic. The Blu Mediterraneo range has two scents based on natural essential oils imbued with a distinct feelgood factor. Arancia di Capri employs orange, lemon and tangerine. Mandorlo di Sicilia uses almond, lavender, bergamot and orange. \$99 (60ml), \$150 (120ml). From selected David Jones stores; call (02) 9663 4277.

LM

## web unravelled

Conquer cyberspace with *The Rough Guide To The Internet* (Penguin, \$15) by Peter Buckley and Duncan Clark. Answers the questions you can't ask net nerds without hearing obscure slights like "ROFL" (rolling on the floor laughing). [www.roughguides.com](http://www.roughguides.com)

## touchdown

Tempur's space-age Travel Pillow was developed by NASA technology and aimed at relieving astronauts from sleep-depriving pressure build-up during lift-off. After such epic voyages, your weekend jaunt to the beach is a small step indeed – but rest assured this pillow means one giant sleep for mankind. \$140. Call 1300 306 062, or boldly go to [www.tempur.com.au](http://www.tempur.com.au)

Eleph

## wild child

Enthrall your baby with the amusing and educational pictures on Wee Gallery Flash Cards – the animal's name is on the back. \$17 for a box of six: owl, fish, cat, snail, elephant and giraffe. Make a mobile or an in-car art gallery. [www.weegallery.com](http://www.weegallery.com)
